April 2022 | Issue 028

Give a cheer, Carolina is here 🙌 | Pharmacy students Julia Geith ('24) and Jacob Ernst ('25) were among those in Minneapolis with the Carolina Band for the 2022 NCAA Women's Basketball National Championship game on April 3, 2022.

FROM THE DEAN'S DESK

It is hard to imagine that another semester has almost concluded. Students are preparing for final exams, classes are celebrating their successes, and we are preparing to graduate the next leaders of the pharmacy profession. I would like to take this opportunity to extend my sincerest thanks to our faculty who have worked tirelessly to ensure our students receive the best education possible; to our staff who help keep our college running at the highest level; to our students who continue to inspire me with their dedication to learning and succeeding in the classroom; and to our generous supporters who ensure the ability of the College of Pharmacy to continue to attain new heights in research and education.

Julie M. Sease, Pharm.D.
Interim Dean
