

Heather Shaw Bonilha, Ph.D., CCC-SLP

Professor, with Tenure
Department of Communication Sciences and Disorders
Arnold School of Public Health
University of South Carolina
Columbia, SC

CURRICULUM VITAE

EDUCATION

University of South Carolina, Columbia, South Carolina

Department of Communication Sciences and Disorders
Doctor of Philosophy in Speech Language Pathology 2005
Dissertation: "*Laryngeal Assessment Utilizing High-Speed*
Videoendoscopy: A Study of Normophonic Speakers"
Mentor: Dimitar D. Deliyski, Ph.D.

University of Central Florida, Orlando, Florida

Department of Communication Disorders
Master of Arts in Communication Disorders 2002
Thesis: "*Voice Onset Time in Persons with Dysphagia*"
Mentor: Jack Ryalls, Ph.D.

University of Central Florida, Orlando, Florida

Department of Communication Disorders
Bachelor of Arts in Communication Disorders 1999

LEADERSHIP ROLES

Director of the Doctoral Program

Department of Communication Sciences and Disorders
Arnold School of Public Health
University of South Carolina
Columbia, SC September 2023 - present

Director of the Swallowing and Voice Observation & Research (SAVOR) Lab

Department of Communication Sciences and Disorders
Arnold School of Public Health
University of South Carolina
Columbia, SC September 2023 - present

Director of Strategic Planning

Department of Rehabilitation Medicine

School of Medicine
Emory University
Atlanta, GA *July 2022-August 2023*

Director of the Communication and Swallowing Lab

Department of Rehabilitation Medicine
School of Medicine
Emory University
Atlanta, GA *July 2022-August 2023*

Division Director for Speech-Language Pathology

Department of Rehabilitation Sciences
College of Health Professions
Medical University of South Carolina
Charleston, SC *July 2019-June 2022*

Major Roles/Accomplishments:

- Develop a 10-year strategic plan for the division including program expansion.
- Partner with other Divisions within the Department (OT & PT) and the hospital authority to design, propose, and open the Neurorehabilitation Institute (NRI). The NRI is an inter-professional clinical, research, and educational institute focused on neurorehabilitation including SLP, OT, and PT.
- Collaborate with other departments and divisions within and outside of the college on strategic initiatives.
- Maintain a strong, synergistic relationship with the clinical SLP department (Medical University Hospital Authority) and other related departments (ENT, Pediatrics, Audiology, etc.).

Program Director of the Master of Science in Speech-Language Pathology Program

Department of Rehabilitation Sciences
College of Health Professions
Medical University of South Carolina
Charleston, SC *July 2019-June 2022*

Major Roles/Accomplishments:

- Developed strategic plan and 7-year budget for the new program
- Attained support for the new program from college, university, and state stakeholders
- Led national accreditation
- Led 4 faculty hires and 1 staff hire
- Responsible for a program budget of >2M
- Oversight of program marketing to students and clinical rotation sites
- Responsible for all division/program activities

Director / Co-Director of the Health and Rehabilitation Sciences Doctoral Program

Department of Health Sciences and Rehabilitation
College of Health Professions
Medical University of South Carolina
Charleston, South Carolina *August 2016-June 2022*

Major Roles/Accomplishments:

- Continuous evaluation and revision of curriculum to meet student needs and external standards
- Oversee program budget and student funding
- Maintain collaborative relationships with other doctoral programs and training initiatives
- Responsible for all program activities and strategic planning

Medical Director for Speech-Language Pathology

Medical University Hospital Authority

Charleston, South Carolina *August 2016-June 2022*

Major Roles/Accomplishments:

- Responsible for patient outcomes and satisfaction
- Responsible for service line productivity and value
- Lead Speech-Language Pathology Rounds
- Direct clinical protocol development and revisions
- Represent Speech-Language Pathology at health system-level meetings
- Oversee all clinical research activities and quality improvement projects
- Liaison between university and health system

Co-Director of Translational Workforce Development (TWD)

South Carolina Clinical & Translational Research Institute (SCTR), a CTSA

Charleston, South Carolina *April 2020-June 2022*

Major Roles/Accomplishments:

- Integral member of the strategic planning team for the TWD component of the CTSA
- Lead efforts for annual university-wide Mentorship Symposium and Mentor Training Courses
- Conducted a university-wide survey of research-related training needs
- Support the development of a diverse workforce
- Provide numerous trainings for faculty and staff

Director of the Voice and Swallowing Lab

College of Health Professions

Medical University of South Carolina

Charleston, South Carolina *September 2009-June 2022*

Major Roles/Accomplishments:

- Continue to secure NIH support to fund the lab's research goals
- Oversee post-docs, doctoral students, residents, and research staff
- Responsible for lab budget
- Develop and maintain lab strategic plan
- Promote lab's work locally and nationally/internationally

FACULTY POSITIONS

University of South Carolina, Columbia, South Carolina

Arnold School of Public Health

Department of Communication Sciences and Disorders

Professor, Tenured *September 2023 - present*

Emory University, Atlanta, Georgia
School of Medicine
Department of Rehabilitation Medicine
Professor, Tenured *July 2022-August 2023*

Medical University of South Carolina, Charleston, South Carolina
College of Health Professions
Department of Health Sciences and Research
Professor, Tenured *July 2020 – June 2022*

Medical University of South Carolina, Charleston, South Carolina
College of Health Professions
Department of Health Sciences and Research
Associate Professor, tenure track *July 2013 – July 2020*

Medical University of South Carolina, Charleston, South Carolina
College of Medicine
Department of Otolaryngology-Head and Neck Surgery
Adjunct *March 2012 – June 2022*

Medical University of South Carolina, Charleston, South Carolina
College of Health Professions
Department of Health Sciences and Research
Assistant Professor, tenure track *July 2011 – June 2013*

Medical University of South Carolina, Charleston, South Carolina
College of Health Professions
Department of Health Sciences and Research
Assistant Professor, non-tenure track *Sept. 2009 – June 2011*

University of South Carolina, Columbia, South Carolina
Arnold School of Public Health
Department of Communication Sciences and Disorders
Centenary Plan Research Assistant Professor *Aug. 2006 – Aug. 2009*

University of South Carolina, Columbia, South Carolina
Arnold School of Public Health
Department of Communication Sciences and Disorders
Post-Doctoral Fellow *Aug. 2005 – July 2006*

AWARDS

- 2022 ASHA Fellow, American Speech-Language and Hearing Association, presented at ASHA National Convention, November 2022, New Orleans, LA.
- 2019 Editor's Award, American Journal of Speech-Language Pathology for "Relationships Between Radiation Exposure Dose, Time, and Projection in Videofluoroscopic Swallowing Studies".
- 2015 Distinguished Alumni Award, Arnold School of Public Health, University of South Carolina.
- 2012 Award of Achievement, 2nd Place Scientific Abstract: Poster Presentation for "Clinical implications of pulse rate on perception of swallowing components from the MBSIMP".

Awarded at the 20th Annual Dysphagia Research Society Meeting, March 10, 2012, Toronto, Ontario, Canada.

- 2011 Developing Scholar Award, College of Health Professions, Medical University of South Carolina.
- 2010 Manuel Garcia Prize, presented at the 28th IALP World Congress August 22, 2010.
- First Annual Sataloff Young Investigator Award, presented at the Voice Foundation Symposium, June 3-7, 2009.
- Lessons for Success ASHA/NIH workshop award, April 30-May 2, 2009.
- Early Career Contributions in Research Award, American Speech-Language and Hearing Association, presented at ASHA National Convention, November 22, 2008, Chicago, IL.
- Centenary Plan Award, University of South Carolina, August 2006-August 2009.
- New Investigators Research Forum Award, The Voice Foundation, Philadelphia, Pennsylvania. "An Investigation of the Impact of Mucus and Mucus Clearing Behaviors", 2005.
- College of Health and Public Affairs Outstanding Student Award, University of Central Florida, 2002.

RESEARCH GRANTS

Current

NIH/NIDDK (R01DK122975, PI Bonilha)

Excess radiation exposure in infants and children from videofluoroscopic swallow studies

This is a research proposal in the area of digestive disease with a goal of quantifying the excess radiation exposure and associated cancer risks from Videofluoroscopic Swallow Studies of infants and children with suspected or confirmed swallowing impairment. This proposal will also determine the impact of fluoroscopy pulse rates of 15pps or less on diagnostic accuracy of these exams.

Dates: September 1, 2019 – August 31, 2024

Role: Principal Investigator

NIH/NIDCD (2R01DC009029-13, MPIs Eddins, Shrivastav – USF; site PI Bonilha)

A comprehensive psychoacoustic approach to voice quality perception

The goal of this study is to develop a comprehensive three-dimensional (3D) clinical voice quality (VQ) scale that will allow clinicians to represent perceived breathiness, roughness, and strain, in standard perceptual units, for any dysphonic voice and any type of utterance while achieving the ideal psychometric properties.

Dates: March 1, 2021 – February 28, 2026

Role: Site Principal Investigator

Past Awarded

NIH/NCATS (2U54TR001450-06 Brady & Flume, MPI)

South Carolina Clinical & Translational Research Institute (SCTR)

Dates: April 1, 2020 – March 32, 2025

Role: Co-Director of Translational Workforce Development

NIH/NIDCD (2R01DC009029-07, MPI Shrivastav/Eddins)
A psychoacoustic approach to dysphonic voice quality perception
Dates: July 1, 2013 - June 30, 2020
Role: Site Principal Investigator

NIH/NIDDK (R01DK098222, PI Bonilha)
Impact of pulse rate on swallowing impairment assessment and radiation exposure
Dates: August 1, 2013 - July 31, 2019
Role: Principal Investigator

Center on Aging, MUSC (Pilot Grant, PI Bonilha)
Respiratory muscle strength training in presbyphonia
Dates: July 1, 2018 - June 30, 2019
Role: Principal Investigator

National Institutes of Health/COBRE (COBRE Discovery Grant, PI Bonilha)
Role of the insular cortex in swallowing impairment and recovery after stroke
Dates: May 1, 2016 - April 30, 2019
Role: Principal Investigator

South Carolina Clinical & Translational Research Institute (MUSC's CTSA) (KL2, PI Bonilha)
Standardizing Laryngeal Endoscopy
Dates: October 15, 2010 - March 31, 2013
Role: Principal Investigator

NIH/NIDCD (R03DC008403, PI Bonilha)
Throat Clearing, Coughing, and Alternative Behaviors
Dates: January 1, 2008 - December 31, 2012
Role: Principal Investigator

NIH/NIDCD (ARRA Supplement, PI Bonilha)
Supplement for *Throat Clearing, Coughing, and Alternative Behaviors*
Role: Principal Investigator

South Carolina Clinical & Translational Research Institute (MUSC's CTSA) (Pilot Project, PI Bonilha)
Impact of Acute Stroke Brain Lesion and Swallowing Impairment on Short-Term Swallowing Outcomes
Dates: November 1, 2010 - October 31, 2011
Role: Principal Investigator

NIH/NIDCD (R01DC007640, PI Deliyski)
Efficacy of Laryngeal High-Speed Videoendoscopy
Dates: February 1, 2007 - January 31, 2012
Role: Co-Investigator

University of South Carolina Research Foundation (R&PS Grant, PI Deliyski)
Establishing Normative Data for Quantitative Assessment of Laryngeal Function via High-Speed Videoendoscopy
Dates: 2004-2005

Role: Graduate Assistant

TEACHING EXPERIENCE

University of South Carolina, Columbia, South Carolina

Department of Communication Sciences and Disorders
 COMD 725 Pediatric Feeding and Swallowing
Course Instructor, Graduate Spring 2024

Medical University of South Carolina, Charleston, South Carolina

Department of Rehabilitation Sciences
 SLP 607 Voice
Course Instructor, Graduate Spring 2022

Medical University of South Carolina, Charleston, South Carolina

Department of Rehabilitation Sciences
 SLP 603 Evidence-Based Practice
Course Instructor, Graduate Fall 2022

Medical University of South Carolina, Charleston, South Carolina

Department of Health Sciences and Research
 HRS 800 Translational Research
Course Instructor, Graduate Fall 2010-2012, 2018, 2020; Spring 2014-2017

Medical University of South Carolina, Charleston, South Carolina

Department of Health Sciences and Research

HRS 805 Evidence-Based Practice for Researchers
Course Instructor, Graduate Spring 2016-2022

Medical University of South Carolina, Charleston, South Carolina
Department of Health Sciences and Research
Independent Studies and Laboratory Rotations
Course Instructor, Graduate All semesters 2009-2022

Medical University of South Carolina, Charleston, South Carolina
Department of Health Sciences and Research
HRS 810 Health and Rehabilitation Models
Course Instructor, Graduate Fall 2015, 2017, 2019, 2021
**2019 role changed to guest lecturer responsible for 3, 3-hour sessions*

Medical University of South Carolina, Charleston, South Carolina
Department of Health Professions
AFN 823 Research Methods
Course Instructor, Graduate - online course Summer 2017-2021

Medical University of South Carolina, Charleston, South Carolina
Department of Health Sciences and Research
HRS Diversity and Inclusion in Science
Course Instructor, Graduate Spring 2017, Fall 2017-2018

HRS 745 Special Topics in Pathology and Impairment: Introduction to MRI
Course Instructor, Graduate Summer 2018

HRS 805 Introduction to Rehabilitation Services
Course Instructor, Graduate Spring 2010-2015

HRS 810 Rehabilitation Theories and Models
Course Instructor, Graduate Fall 2009, 2010, 2014

Medical University of South Carolina, Charleston, South Carolina
Department of Health Professions
AFN 630 Research Methods
Course Instructor, Graduate Fall 2012-2015

University of South Carolina, Columbia, South Carolina
Department of Communication Sciences and Disorders
COMD 704 Voice Disorders
Course Instructor, Graduate Fall 2005-2009

COMD J501 Anatomy and Physiology of the Speech and Hearing Mechanism
Course Instructor, Distance Education Fall 2005-2008

COMD 501 Anatomy and Physiology of the Speech and Hearing Mechanism
Course Instructor, Undergraduate Fall 2005- 2007

COMD 501 Anatomy and Physiology of the Speech and Hearing Mechanism
Course Instructor, Graduate Summer 2004, 2005, 2007

University of Central Florida, Orlando, Florida

Speech Perception, Speech Production, and Phonetics Laboratories
Graduate Teaching Assistant September 2001- July 2002

CLINICAL EXPERIENCE

Voice Clinic, University of South Carolina Speech and Hearing Center

Founder, Director, Lead Speech-Language Pathologist April 2005-Aug. 2009

Voice Center, Presbyterian Hospital, Charlotte, North Carolina

Speech-Language Pathologist December 2004-July 2006

University of South Carolina Speech and Hearing Center

Speech-Language Pathologist February 2004 – Aug. 2004

Clinical Fellow, Speech-Language Pathologist September 2002 - Feb. 2004

PROFESSIONAL AFFILIATIONS

American Speech-Language-Hearing Association

Member 2004-present

Voice Foundation 2006-present

Member

Dysphagia Research Society 2013-present

Member

South Carolina Speech-Language-Hearing Association

Member 2003-2012

Florida Speech-Language-Hearing Association

Member 2001

CERTIFICATIONS

- Licensed Speech-Language Pathologist in the state of South Carolina 2004-present
- Licensed Speech-Language Pathologist intern in the state of South Carolina 2002-2004
- Licensed Speech-Language Pathologist in the state of Georgia 2007-2009
- Licensed Speech-Language Pathologist in the state of North Carolina 2004-2009

PROFESSIONAL SERVICE

Grant Review Service

- NIH MFSR, Study Section member (October 2021 – present)
- NIH NIDCD, Communication Disorders Review Committee (CDRC), October 2020 study section
- NIH NST2 Grant Reviewer, October 2019 study section
- ASHFoundation New Investigators Research Grants, 2019
- NIH MFSR Grant Reviewer, February 2019 study section
- NIH/CSR Voice Disorder SEP Study Section Chair & Grant Reviewer, November 2018 study section
- ASHFoundation New Century Scholars Doctoral Scholarship, 2018
- NIH AUD Grant Reviewer, February 2018 study section
- NIH MFSR Grant Reviewer, October 2017 study section
- ASHA New Investigator Grant Reviewer, 2017
- ASHFoundation Grant Reviewer, SPARC 2008-2012, NCS 2009 & 2016, Clinical Trials 2016
- SCTR Grant Reviewer, Pilot Projects, KL2 & TL1
- USC, Internal Grant Reviewer

Professional Organization Service

(focus on mentorship and conference planning)

- Dysphagia Research Society, Board of Directors, Councilor *Elected position, 2023-2025
- Dysphagia Research Society 2023 Program Committee
- ASHA Annual Convention 2022 Program Committee, Voice and Upper Airway, Topic Chair
- ASHA Pathway's Advisory Committee, Three-year term: December 2020-January 2023
- Dysphagia Research Society Institute for Education (DRSIE) Committee, 2020-2023
- Charleston Swallowing Conference, Conference Planning Committee, 2017-2018
- Invited Mentor for ASHA's Pathway program, 2016, 2020
- DRS ad hoc Early Investigator Committee, Member 2014-2016
- South Carolina Speech and Hearing Association, Research Committee, President 2007-2012; Member 2005-2012
- Poster Judge at the Symposium of The Voice Foundation: Care of the Professional Voice. Philadelphia, Pennsylvania, 2006, 2008-2012, 2014, 2016-2017, 2022
- MARC mentor, 2008-2009, 2009-2010, 2010-2011
- ASHA Annual Convention 2011, 2012, 2014, & 2015 Program Committee, Voice, Resonance and Alaryngeal Speech
- Invited ASHA Representative to Review the American Academy of Otolaryngology's Clinical Practice Guidelines "Improving Voice Outcomes after Thyroid Surgery" 2012

Editorial Board Service

- Adult Dysphagia Editor, American Journal of Speech Language Pathology, 2021-present
- Editorial Board Member for Stroke, 2015-present
- Editorial Board Member for Journal of Voice, 2012-present
- Guest Associate Editor, Special Issue of American Journal of Speech Language Pathology, 2018-2020
- Editorial Board Member for the American Journal of Speech Language Pathology, 2017

- Guest Associate Editor for the American Journal of Speech Language Pathology, 2017, 2020
- Guest Associate Editor for Journal of Speech Language and Hearing Research, 2012

Journal Reviewer

Served as ad hoc reviewer for the following journals (selection): Radiography; Stroke; Journal of Speech Language and Hearing Research; American Journal of Speech Language Pathology; Archives of Physical Medicine and Rehabilitation; Dysphagia; Journal of Voice; Folia Phoniatica et Logopaedica; Physiological Measurement; Journal of Neurology; Stroke Research and Treatment; Motor Control; PLOS ONE; Head and Neck; Journal of Communication Disorders; Nutrients; Journal of Telemedicine and Telecare; Current Bioinformatics; Computer Methods and Programs in Biomedicine; Computers in Biology and Medicine; Journal of Gastroenterology and Hepatology Research; Translational Stroke Research.

UNIVERSITY SERVICE

University Committees at MUSC

- Faculty Senate, Co-Chair of Communications Committee (Fall 2009-Fall 2010)
Initiatives included: Faculty email lists, Faculty Contract Workshop, Contract Negotiation Workshop, Promotion and Tenure Workshop, member of Faculty Training subcommittee, MUSC's New Faculty Orientation
- Faculty Senate, Executive Committee Member Representing the CHP (Fall 2010-Fall 2011)
- Faculty Senate, ad-hoc Committee for Faculty Contracts (2009-2010 term)
- Faculty Senate, ad-hoc Committee for Post-Tenure Review (2009-2010 term)
- MUSC Mentorship Leadership Council (2010-2022)
- MUSC Diversity and Inclusion Outcomes Committee (2014)
- MUSC Interprofessional Day Facilitator (2014)
- South Carolina Clinical and Translational Research Institute (SCTR) TL1 Steering Committee (2016-2022)
- South Carolina Clinical and Translational Research Institute (SCTR) KL2 Steering Committee (2016-2022)

COLLEGE SERVICE

College Committees at MUSC, College of Health Professions (CHP)

- CHP Promotion and Tenure Committee (2021)
- CHP Space Committee (2020)
- CHP Faculty Council, Chair (Fall 2012-2013), Chair-Elect (Fall 2011-Fall 2012), Secretary (Fall 2010-Fall 2011)
- Research Council, College of Health Professions (Fall 2009-2022)
- CHP Search Committees: Dean of the College of Health Professions; several faculty in Health Sciences and Research; Associate Dean of Academic and Faculty Affairs; faculty in Anesthesia for Nurses (Committee Chair), all faculty and staff in the Division of Speech-Language Pathology
- CHP Mentorship Committee (2011-2012)
- CHP Promotion and Tenure Policy Committee (2011-2012; 2018-2019)
- CHP DATE Teaching Evaluation ad-hoc committee (2012)
- CHP Faculty Council By-laws ad-hoc committee (2011-2012)
- Academic and Faculty Affairs Website Development committee (2011)

- CHP Faculty Evaluations committee, guest attendee (2013-2014), member (2014-2015)
- CHP Interim Review ad-hoc committee (2013-2014)
- CHP Workload Taskforce (2014-2016)
- CHP Research and General Office Space Committee, Co-Chair (2014-2015)
- CHP Promotion Committee (2016, 2017)

School Committees at Emory University

- School of Medicine Education Transformation Steering Committee (2022 – 2023)

Arnold School of Public Health at USC

- Promotion and Tenure Committee

Graduate School at USC

- Graduate Council

PROGRAM / DEPARTMENT SERVICE

Departmental Committees at University of South Carolina (2006-2009)

- Research Committee: Manages the curriculum of the Ph.D. program and advises the department chair on the program.
- Accreditation Committee: Prepares for upcoming program accreditation.
- MSP and MCD Admittance Committee: Reviews all student applications for the MSP and MCD tracks and provides the graduate student director with advice on student admittance.
- Alumni Committee: Promotes a network of program graduates for career building (job placement, continuing education, etc.) and fundraising purposes.

Program / Departmental Committees at Medical University of South Carolina (2009-2022)

- SLP Admissions Committee Chair: Leads the Admissions Committee to attract and vet applicants for the MS SLP program (2020-2022)
- SLP Curriculum Committee Chair: Leads curriculum development, oversight, evaluation, and revision for the MS SLP program (2020-2022)
- SLP Policy and Professionalism Committee Chair: Leads policy and procedure development, oversight, evaluation, and revision for the MS SLP program (2020-2022)
- PhD Curriculum Committee: Manages the curriculum of the Ph.D. program and advises the program director on the program. (Chair, 2009-2016, Program Director, 2016-2019, Program Co-Director, 2019-2022)
- PhD Admissions Committee: Vets applicants of the Ph.D. program and advises the program director on admissions. (2009-2016, Program Director, 2016-2019, Program Co-Director, 2019-2022)

Department Committees at Emory University (2022-2023)

- Strategic Planning Committee (2023)

Department Committees at University of South Carolina (2023-present)

- Admissions Committee, MSP & MCD Programs
- Doctoral Committee
- Colloquium Committee
- Curriculum Committee

EDUCATION COMMITTEE SERVICE

Doctoral Student Dissertation Committee

- Annie Simpson, “Rehabilitation utilization and the marginal cost of ischemic stroke in South Carolina”
Role: Member of the Dissertation Committee
- Kathleen Cartmell, “Patient navigation to improve participation in cancer clinical trials”
Role: Member of the Dissertation Committee
- Chih-Ying Li, “Developing a functional measure across the continuum of post-acute care”
Role: Member of the Dissertation Committee
- Melanie Sweat Jefferson, “The acute-phase impact of resection on biological and psychological markers of stress among early-stage non-small cell lung cancer patients: An exploratory study”
Role: Co-Chair of the Dissertation Committee
- Jordan Hazelwood, “Investigations on the standardized protocol for conducting Modified Barium Swallow Studies”
Role: Member of the Dissertation Committee
- Janina Wilmskoetter, “Stroke lesions impact on swallowing function”
Role: Chair of the Dissertation Committee
- Maude Desjardins, “The effect of respiratory muscle strength training on voice outcomes in patients with presbyphonia”
Role: Chair of the Dissertation Committee
- Erin Reedy, “The relationship between oral, pharyngeal, and esophageal dysphagia”
Role: Chair of the Dissertation Committee
- Carolyn Barnes, “The impact of non-invasive respiratory support on swallowing and related outcomes”
Role: Chair of the Dissertation Committee
- Heather McGhee, “The integration of respiratory effort into clinical decision making in the NICU”
Role: Chair of the Dissertation Committee

Other Mentored Doctoral Students

- Jennifer Bozard – Using neuroimaging to map language function
- Bobby Charalambous - Rehabilitating walking speed after stroke with treadmill-based interventions
- Kendrea Focht - Stroboscopic parameters and rater methodology in treatment outcome studies across voice disorders
- Emily Johnson - Disease specific quality of life outcomes post-bariatric surgery
- Nicole Marlow - Efficacy of transcranial direct current stimulation and repetitive transcranial magnetic stimulation for treating fibromyalgia syndrome
- Katlyn McGrattan – Radiation exposure time and pulse rate in modified barium swallow studies, Evaluating laryngeal mucus from endoscopy recordings
- Joseph Sistino - Improvement in survival and neurodevelopmental outcomes in surgical treatment of HLHS
- Brittany Smalls - Community interventions to improve glycemic control in African Americans with Type 2 Diabetes
- Rebecca Walker - Behavioral interventions to improve glycemic control in African Americans with Type 2 Diabetes

- Ickpyo Hong - Psychometric properties of upper extremity outcome measures validated by item response theory
- Amanda Vatinno - prognostic utility of EEG in stroke recovery
- Carole Berini - Impact of community health workers on access to care for rural populations in the United States
- Emily Hart - Pediatric unilateral spatial neglect
- P. Rhorden - Patient satisfaction of telemedicine remote patient monitoring
- Christina Couch – The role of inflammation in stroke recovery

Mentored Master Student Theses

- Joanna Piasecki Whiteside, "Relationship of vocal fold vibratory features in speakers with vocal fold pathology: a stroboscopy and high-speed videoendoscopy perspective"
Role: Graduate Student Thesis Research Advisor, Chair of Thesis Committee
- Maureen O'Shields, "Relationship between arytenoid adduction asymmetries and objective measures of the vocal fold vibratory features"
Role: Graduate Student Thesis Research Advisor, Chair of Thesis Committee

Mentored Master's Students on non-Thesis Research Projects

- Alyssa Aikman - Vocal fold mucus aggregation in vocally normal speakers
- Shannon Batson – Temporal characterization of cough and throat clear
- Jennifer Copen - Acoustic analysis of detrimental and beneficial clearing behaviors
- Katherine Hines - Vocal fold mucus aggregation in vocally normal speakers
- Kelsey Kuckhahn - Vocal fold mucus aggregation in persons with voice disorders
- Mary Ann Randall - Vocal fold edge and supraglottal compression in vocally-normal speakers
- Maggie Savidge - Acoustic analysis of detrimental and beneficial clearing behaviors
- Kymberly Tuckfield - Vocal fold edge and supraglottal compression in vocally-normal speakers
- Lisa White - Vocal fold mucus aggregation in persons with voice disorders
